

Learn Safe Driving & Car Control

Performance Driving Clinic

Open to all drivers
in street legal
automobiles and
trucks which pass
a simple safety
inspection.

Taught on Buttonwillow's Challenging Race Track, Not in a Classroom

Our Instructors will take you through a short ground school session focusing on safety & performance driving techniques. In the controlled environment of the track, without the distraction of opposing traffic, practice...

- Controlled stopping and cornering techniques
- Skid recovery
- Car control and braking exercises using our skidpad

Note: Convertibles with factory rollover protection are acceptable.
Cars such as Miatas and Mustangs must have rollbars installed.
